Parents of Children Participating in the Homework/Reading Buddies Program,

We are pleased that you have chosen to have your child participate in the Mount Pleasant Public Library’s Homework/Reading Buddies program.

Please be aware that all meetings between Homework/Reading Buddies and their “Little Buddies” must take place at the Mount Pleasant Public Library’s Main Library in Pleasantville or Branch Library in Valhalla.

The Homework/Reading Buddy volunteer and the library do not provide care or supervision of participating children. This program only offers a volunteer to help with homework and or read with, who has been informally selected through an orientation meeting to be thought suitable to work with young children.

We highly recommend that you monitor the sessions between the Homework/Reading Buddy and your child. It is up to you to decide if you want to leave your children alone during these sessions in the library.

Sincerely,

Janet Green
Youth Services Librarian

I have read the above and agree to the terms of the Mount Pleasant Public Library’s Homework Help/Reading Buddies Program.
